CONSIDERING A PARTNERSHIP:

Every partnership is different. Depending on what you're looking for: product visibility, CSR commitments, internal communication, we can shape a collaboration that truly fits.

WHAT I CAN BRING TO YOU:

SPORTS VISIBILITY:

- Logo placement on race kit, depending on availability and level of partnership.
- Presence on training and podium gear.
- Digital content: photos, videos, race stories - created for your channels.

EXPERTISE & SPEAKING ENGAGEMENTS:

- Talks and workshops for your teams or clients, on women's health, workload management, and injury prevention.
- Taking part in your events: podcasts, panel discussions, sports team-building.
- Carrying your values forward through my work with the CSVR association.

EQUIPMENT & PRODUCT SUPPORT:

- Using and testing your gear: shoes, bike, wetsuit, nutrition under real race conditions.
- Detailed technical feedback to support your product development.

LET'S TALK ABOUT WHAT YOU NEED.

I'd love to hear from you and build a partnership that truly fits your organization.
